January 2021

President's Message

Dear sister Zontians,

I hope you all had a happy holiday season and were able to see your loved ones. The pandemic is still a major factor in everyone's lives.

At our November meeting, we decided to make and sell protective masks to raise money for our scholarships. In the last two months, Barbara Ann Daly sewed 14 masks, and all were sold. Congratulations to us! We raised \$70.

Many thanks to Cynthia Yin who organized a group of volunteers to provide an evening meal for Project 1020 (an overnight shelter) that was served on December 9th. Also, thanks to the following members who provided homemade dishes: Carie Burris, Marcia Charney, Emily Morgan, Kathy Sapp, Mary Mondy, Dawna Adams, Pam Fellingham, and Cynthia Yin. Carie Burris and her husband, Pierre (thank you!), stayed to serve the meal to the guests and staff.

You may recall that the Fundraising Committee is planning an auction to be held

virtually, and the date is Wednesday, February 10th. We'll hear more about it at the January meeting. I hope everyone can get involved in supporting this event. It will determine if we can give a club award for some, or maybe all, of the scholarships we sponsor.

We have an opportunity to sponsor a Z club in Kansas City. Z clubs are formed at the high school level and have similar objectives as Zonta International – to empower women through service and advocacy. Student clubs are designed to provide opportunities for young people to develop their leadership and communication skills. Stephanie Jones, Area 4 Director, was contacted last August about starting a Z club at Northland Christian School in Kansas City, MO. After numerous emails, it was determined that the KCI and Atchison clubs would like to collaborate with the Johnson County club in establishing this Z club. ZI has composed a manual that provides detailed information about Z clubs and university-level Golden Z clubs. In addition, there are two Z clubs in District 7 located in Jefferson City, MO and Jamestown, ND. So, there are good resources to rely on if we move forward with this project, and I hope we do.

Everyone stay safe and stay connected.
